

A MESSAGE FROM Charlotte Newell

Dear ,

There's no better Christmas gift than being done with final exams. Congratulations to everyone who is already finished and good luck to those of you who still have more to finish before the holiday break!

Many of you only have one semester left. Congrats for making it so far and best of luck in your final semester. You've got this! And if you're still looking for job opportunities, check out the list of openings from a few of our sponsors at the bottom of this email.

A Few Important Reminders:

- 1. If you haven't already let me know that you plan to use your funds in the spring, let me know ASAP! Remember that you must submit your withdrawal form to me no later than 2 weeks before your payment deadline.**
- 2. Everyone who has not closed out their account must send me their most recent transcript as soon as you receive it from your college. FGCU students, remember that you can fill out the form I'd previously mentioned so this process can be automated.**

Thank you so much to everyone who took the time to record and send me a video last month. We sent it out last week to our donors and have already had a great response to it. Not only do I appreciate your help, but so do the waitlisted students who will be able to open an Earn to Learn FL account thanks to the donations from this video.

FGCU Students: If you have any questions specific to FGCU, you can reach out to J Webb Horton at the Office of Community Outreach. He can help connect you with services on campus. His email is jwhorton@fgcu.edu.
