

A MESSAGE FROM Charlotte Newell

Serving Lee, Collier, Charlotte, Hendry and Glades Counties

Dear ,

We have a lot of exciting things in the works with Earn to Learn FL and I can't wait to share them with you! You'll see below that some of our students from FGCU were able to attend our annual thank you dinner and speak to some of our major donors and corporate sponsors. We hope that in the coming months, we will have more opportunities for students attending universities outside of Southwest Florida to be a part of similar events.

Keep an eye out for emails from me with information about these opportunities. We are also working on a few updates to the program based on feedback from students and the universities we work with, so I'll be in touch soon with information about what I'll need from you all!

Good luck on your midterms!

Thank you to the seven FGCU students who attended our annual ElevateHer SWFL Dinner!

We all had the chance to meet Senator Kathleen Passidomo and listen to her keynote

speech. Each student also did a fantastic job giving a brief speech about their goals for the future and how Earn to Learn FL has helped them. All the other guests who attended the dinner had nothing but positive things to say about you all. You all represented FGCU and Earn to Learn FL incredibly well and you should be proud.

FGCU Students: If you have any questions specific to FGCU, you can reach out to J Webb Horton at the Office of Community Outreach. He can help connect you with services on campus. His email is jwhorton@fgcu.edu.
