Dear,

In February we recognized eight extraordinary Men of IMPACT™. They have made such a difference in the lives so many women in Southwest Florida. They have recognized talent and empowered their female colleagues or family members to achieve their goals and dreams.

2019 Men of IMPACT™ have distinguished themselves by elevating the status of women through their career and community service.

Thanks to the Men of Impact™ outreach and support, even more Earn to Learn FL™ students will achieve their educational goals.

“The impact of mentoring on a student’s success cannot be underestimated. We see students who’ve had the benefit of mentors paying it forward by mentoring other students, colleagues, and family members.” - Florida Gulf Coast University President Michael Martin

Earn to Learn™ is a Community Contribution Tax Credit Program Project
Our Earn to Learn FL™ Project was approved by Florida Department of Economic Opportunity to participate in the Community Contribution Tax Credit Program (CCTPC). Florida businesses will be eligible for sales tax credit or business income tax credit when they make a charitable donation to the Southwest Florida Women’s Foundation earmarked for Earn to Learn FL™ CCTCP. The business tax credit will be up to 50% of the donation, in addition to other benefits associated with a charitable donation.
